

**Join your SFSU Retirement Association!**

**Now that you have retired from working at San Francisco State, you have the opportunity to join your friends, and keep in contact with all the activities going on at the University.**

**The SFSU Retirement Association is a group of over 250 staff, faculty and administrators who keep in touch with their work-related friends and the University by:**

- **Joining other campus-related groups for lectures, demonstrations, and travel opportunities;**
- **Enjoying two holiday lunches each year near Thanksgiving and St. Patrick's Day;**
- **Going on field trips to exciting destinations in the Bay Area, such as Coit Tower, museums, art galleries, parks and other attractions;**
- **Sponsoring travel grants to current faculty and staff to enable them to attend conferences and conduct research;**
- **Sharing a periodic newsletter to keep us current on member activities.**

**JOIN US -- it's easy to do:**
